

To whom it may concern,

It's my pleasure to recommend Lukasz Galecki. Lukasz Galecki and I have worked together at AgriData Innovations B.V. for over a year.

I enjoyed my time working with Lukasz, and came to know him as a truly valuable asset to any team. He is honest, dependable, and very hard-working. Beyond that, he is an impressive designer who is always attentive to details.

His knowledge and expertise in design and mechanical work was an advantage to our entire office. He put this skillset to work in order to help us deliver professional and functional products to our clients. Moreover, I was impressed and happy in his ability to design for manufacturing taking into consideration his own research of manufacturing outsourcing. He has been very independent and self motivated to get the job done.

Along with his talents, Lukasz has always been a joy to work with. He is a true team player, and always manages to foster positive discussions and bring the best out of other employees.

I confidently recommend Lukasz to join your team. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to your organization.

Please feel free to contact me at lucien@adinnovations.nl or 0624733578 should you like to discuss Lukasz's qualifications and experience further. I'd be happy to expand on my recommendation.

Yours faithfully,
